In bookkeeping, accounting, and finance, Net sales are operating revenues earned by a company for selling its products or rendering its services. Also referred to as revenue, they are reported directly on the income statement as Sales or Net sales.. In financial ratios that use income statement sales values, "sales" refers to net sales, not gross sales. ...

This is a fascinating document of the public debate on the Dixie School name change debate. It really gives you a flavor of the debate on both sides. It should be noted that the real issue was if the name "Dixie" is racist. None of my neighbors have any association with the South or the Confederacy but simply associate it with education excellence.
