The Office of Institutional Assessment is the source of all official statistics about UVA. They take a census to determine the final statistics for the class later in the year. You can see official admission data in the data digest part of their website, including admission data by residency and school of entry. Here are some unofficial numbers about this year's process.

### **Notes from Peabody: The UVA Application Process**

The United States subprime mortgage crisis was a nationwide financial crisis, occurring between 2007 and 2010, that contributed to the U.S. recession of December 2007 – June 2009. It was triggered by a large decline in home prices after the collapse of a housing bubble, leading to mortgage delinquencies and foreclosures and the devaluation of housing-related securities.
