for ancillary medical services, durable medical equipment (DME) and supplies, and related expenses.

Chapter 3-0300 Ancillary Medical Services and Related Expenses

Medical classification, or medical coding, is the process of transforming descriptions of medical diagnoses and procedures into universal medical code numbers. The diagnoses and procedures are usually taken from a variety of sources within the health care record, such as the transcription of the physician's notes, laboratory results, radiologic results, and other sources.

Medical classification - Wikipedia
