This paper presents the results of the research on exam papers for Croatian language in grades 3, 4, 5 and 6 of primary school that are used for checking the acquisition of different norms of the Croatian standard language. The aim of the research was to warn about the acceptability and non-acceptability of written examinations (tests), especially in terms of their age appropriateness and the ...

The Exam Papers On-demand Project comprised 1) research into the feasibility of electronic provision of University of Surrey past exam papers and 2) the subsequent development of a scalable and sustainable system for allowing Internet access to past exam papers by members of the University. Although this has been achieved at other institutions, the solution at the University of Surrey is believed to be innovative in a number of ways.
