Education Districts Education district offices have a pivotal role in ensuring that all learners have
access to education of progressively high quality, since district offices are the link between
Provincial Education Departments (PEDs), their respective education institutions and the public.

Education Districts - Department of Basic Education

The conditions that they found themselves were appalling due to lack of motivation, overcrowding
in classes, lack of resources and lack of support from the Department of Education. Citation:

We decided to covert Moretele College of Education in a government office complex address our
staff needs and bring services to almost a walking distance for many of our rural communities in
this region. That also translates into a visible rural development initiative. We put aside R60m to
give this facility a face-lift from March 2008.

Abstract This article reports on selected findings of a bigger qualitative multi-site case study of
purposely selected secondary schools in the Moretele Area Office, North West Province. The study

examined the perceptions and experiences of School Management Teams (SMTs) regarding their role in managing the implementation of the National Curriculum Statement (NCS) as curriculum change.

Ruigtesloot Politics. The municipal council consists of fifty-two members elected by mixed-member proportional representation. Twenty-six councillors are elected by first-past-the-post voting in twenty-six wards, while the remaining twenty-six are chosen from party lists so that the total number of party representatives is proportional to the number of votes received.
