Milliman Care Guidelines 61 Cross Brook Rd Loudon, NH ...

Milliman criteria or care guidelines are a set of health care standards and clinical practices that help determine the preferred course of treatment in medical situations. The standards appear in the Milliman Care Guidelines and encompass extensive research and analysis of treatment results that health care practitioners submit.

What Are Milliman Criteria Guidelines? | Reference.com

I received a heads up a little over a month ago that Milliman Care Guidelines had been adopted by CMS to determine appropriate level of care. I scoffed at the concept because federal guidelines that you and I get to review as proposed rule before they become final would certainly not be overridden with private company standards without little or no warning.
