With the inevitable release and all the bad press regarding ESO's starting experience, I decided to grab a few screenshots of the first few zones for every faction to give you a visual sample of how these locations look. First impressions are very important, and many players agree that simply starting in a different zone can really make an impact on your first few hours of the game.

Read an Excerpt. On the Shortness of Life. Most human beings, Paulinus,* complain about the meanness of nature, because we are born for a brief span of life, and because this spell of time that has been given to us rushes by so swiftly and rapidly that with very few exceptions life ceases for the rest of us just when we are getting ready for it.
