History. Mentor Graphics was founded in 1981 by Tom Bruggere, Gerry Langelier and Dave Moffenbeier. The first round of money, worth \$1 million, came from Sutter Hill, Greylock, and Venrock Associates. The next round was \$2 million from five venture capital firms, and in April 1983 a third round raised \$7 million more.

The strategy for application of design rules is completely different between Altium Designer and Mentor Expedition. Because of this Altium Designer's PCB design import process does not translate Expedition PCB design rules. Instead, all of the Expedition rule definitions are clearly enumerated in a section of the *.log file. The designer can ...
