DEI Ready Remote 24921 Car Auto Remote Start System

In every Ready Remote package there is an installation video that briefly covers the basics of remote start installation. It is highly recommended that you watch this video prior to beginning your installation. If the package you purchased did not include an installation video you can view the same material as a 3-part series of Ready Remote ...

Ready Remote™ | AutoCommand®

outlined in the product installation guide. If the vehicle starts when performing the Neutral Safety Shutdown Circuit test, the remote start unit has not been properly installed. The remote start module must be removed or the installer must properly reinstall the remote start system so that the vehicle does not start in gear.
