New Titles with First Journal Impact Factor - UPV

I just started my very first journal. On my first page I just wrote a list of journaling ideas to reflect back on, but for my first entry I wrote a list of wishes for myself. I wrote them similar to the way I would write wishes to a newly married couple or a new born baby. I think I will use the first couple of pages for inspirational quotes.

23 ideas for the first page of your journal or notebook ...

Which title formats you could use for your journal article. What information you should include in your titles. How long your journal manuscript title should be. Whether you should "have fun" with your title. The following is a summary of our recommendations for how to craft the best title for your journal manuscript.

How to Choose the Best Title for Your Journal Manuscript ...

Journals that are new on ScienceDirect, or have been changed, discontinued, transferred or removed, or are future publications. New titles: Journals new on ScienceDirect in the past year. (Excel version) Changed titles: Journals that have been renamed, incorporated into another title, or split off from a title to form a new title.

Journal Title Lists - Content - ScienceDirect - Solutions ...

The changes in journal name reflect the idea that the AMA publishes more than just a collection of independently related titles. Image via Gunnar Ries. Name changes have consequences. In the short term, a name changes artificially depresses the journal's impact factor as citations in the next two years are split between the old and new title ...

Journals Recently Accepted by NLM for Inclusion in MEDLINE

Journal entries use debits and credits to record the changes of the accounting equation in the general journal. Traditional journal entry format dictates that debited accounts are listed before credited accounts. Each journal entry is also accompanied by the transaction date, title, and description of the event.

Jimmy Carter gets new title: oldest living former president

This list of the oldest newspapers sorts the newspapers of the world by the date of their first publication. The earliest newspapers date to 17th century Europe when printed periodicals began rapidly to replace the practice of hand-writing newsheets. The emergence of the new media branch has to be seen in close connection with the simultaneous spread of the printing press from which the ...
