Milliman Health Trend Guidelines - Milliman Health Trend ...

A: Milliman Care Guidelines, or MCG, are clinical guidelines to help providers and health plans make decisions about patient care, according to MCG. These guidelines offer guidance for handling a variety of different medical conditions, including diabetes, heart failure, pneumonia, asthma and chronic obstructive pulmonary disease.

What Are Milliman Care Guidelines? | Reference.com

I received a heads up a little over a month ago that Milliman Care Guidelines had been adopted by CMS to determine appropriate level of care. I scoffed at the concept because federal guidelines that you and I get to review as proposed rule before they become final would certainly not be overridden with private company standards without little or no warning.
