or both of these courses. Of course, some institutions may wish to create "second" courses in Abstract Algebra different from our Algebra B, perhaps targeted at other audiences. 5.1 Algebra A This course offers what we feel is a standard model for a first-semester Abstract Algebra course suitable for nearly every college or university.

Abstract Algebra - Mathematical Association of America

1.1 What is Algebra? If you ask someone on the street this question, the most likely response will be: "Something horrible to do with x , y and z ". If you're lucky enough to bump into a mathematician then you might get something along the lines of: "Algebra is the abstract encapsulation of our intuition for composition".
