Re: student guide for MRP 524946 May 3, 2007 11:37 AM (in response to 550215) hi dr, thanks for ur suggestion. i know basics business flow for planning. thing is i want to make myself good in product. it will be easy to learn product using student guide rather than user guide.

student guide for MRP | Oracle Community

In 11i MRP user guide, I found following statement 'The schedule group, build sequence, alternate BOM, alternate routing, and demand class can only be updated for planned orders being released as discrete jobs or discrete jobs being rescheduled. The schedule group has a list of values which lists all schedule groups from WIP for the organization in the supply record.

Schedule Groups in MRP | Oracle Community

Master Scheduling/MRP/SCP Materials requirements planning, referred to by the initials MRP, is a technique which assists a company in the detailed planning of its production. Recall here that the master production schedule sets out an aggregate plan for production.

Arul, For training on ASCP, you should first start by reading the User Guide including the setup sections. Also read the old MRP user guide, there are many fundamental concepts that are assumed that you have learned prior to using ASCP.

ASCP | Oracle Community

ASCP also provides enhanced exception messages and uses Oracle Workflow to provide notification and response processing for all those exceptions. Plan Types ASCP uses basically the same plan types as traditional MRP, but uses slightly different names: Distribution Plan equates to a DRP, or Distribution Requirements Plan.

ASCP - OracleUG | Oracle Users' group & guide

Time fence control is a policy or guideline you establish to note where various restrictions or changes in operating procedures take place. For example, you can easily change the master production schedule for an item beyond its cumulative lead time with little effect on related material and capacity plans.
