Education | C&F Mortgage

Mortgage loan basics Basic concepts and legal regulation. According to Anglo-American property law, a mortgage occurs when an owner (usually of a fee simple interest in realty) pledges his or her interest (right to the property) as security or collateral for a loan. Therefore, a mortgage is an encumbrance (limitation) on the right to the property just as an easement would be, but because most ...

Mortgage loan - Wikipedia

Article originally published November 1st, 2016. Updated October 26th, 2018. One of the best things you can do to help ensure your best possible shot at getting the home you want is getting a pre-approved mortgage loan. Mortgage pre-approval is basically a promise from the lender that you're qualified to borrow up to a certain amount of money at a specific interest rate, subject to a ...
