Mrs Meacham Guided Reading

Continue Reading. share. A Space for our Makerspace Makerspace, STEAM, STEM. Moving classrooms is a challenge. At first I was pretty sure I wanted to keep my first grade room and transform that into our new elementary STEAM makerspace. I created a list of pros and cons for moving and staying. In the end moving made more sense.

Classroom Snapshots - A Teacher Blog by Jessica Meacham

Guided Reading As part of a balanced literacy program that includes reading aloud, shared reading, and literature circles, guided reading is the component that helps students to read independently for meaning. Teachers guide students by helping them to effectively implement necessary strategies to read with at least 96% accuracy at their independent reading level.

Guided Reading - Guided Reading and Reading Workshop

Independent Reading offers students additional opportunities to read. In order to become proficient readers, students must be provided with opportunities to read, read, and read some more! Everyday we have Reader's Workshop where students participate in shared, modeled, and guided reading activities.

We love to read, share our learning, and think outside the box when problem solving. We learn using a workshop based approach. This means we have short mini lesson. We then move onto independent or partner work. We work in small guided reading, writing, and math groups with our teacher. My Project. When we work, we are able to choose our work spot.
