How To Use Nike Plus iPod

We would like to show you a description here but the site won't allow us.

www.nike.com

Best Answer: You can only use it with an iPod, because iPods have the Nike+iPod. On top of that, you also need either an iPod nano (decently priced for all models) or an iPod touch or iPhone (iPod touch could be a good investment) But to use it, you also require a "sport kit" which includes a dongle you attach to the iPod's USB adapter port, and a sensor you place under one of your Nike's soles.
