So when I learned Vector Analysis from this text, I carried this book with me for reference and further learning and refreshing myself throughout grad and post grad school, and it never let me down. To this day, there are three old copies on my books shelves, and now I just added this latest second edition copy - just for old times sake.

Murray's Handbooks for Travellers were travel guide books published in London by John Murray beginning in 1836. The series covered tourist destinations in Europe and parts of Asia and northern Africa. According to scholar James Buzard, the Murray style "exemplified the exhaustive rational planning that was as much an ideal of the emerging tourist industry as it was of British commercial and ...
