Installation Guide Oracle® Real Application Clusters

Each OS has its own configuration for a Real Application Cluster (RAC) install to use with Oracle 12c databases. It's virtually impossible to cover everything, but there are basics that can be covered to get you started. However, there are a few pieces of advice to offer: Thoroughly read the Oracle Grid Infrastructure installation and [...]

How to Prepare for a Real Application Clusters Install in ...

I'm doing an install of RAC on Linux AS 2.1 using OCFS. I am following the directions from the 'Step by Step RAC Linux Installation'. I got the cluster manager to install correctly and started cluster manager on both nodes. However, when I run the installer again, the 2nd node doesn't show up on the "Cluster Node Selection Screen". I'm think both nodes should be showed on the selection screen.

Real application cluster installation | Oracle Community

Real Application Clusters (RAC) Installation. ... Does this mean we have to install HTMLDB and associated applications separately on each node of the cluster (which means create new oracle home on each node and repeat the installation process)? I will appreciate your help in this regard. Thanks Salman .
