Modernism is a philosophical movement that, along with cultural trends and changes, arose from wide-scale and far-reaching transformations in Western society during the late 19th and early 20th centuries. Among the factors that shaped modernism were the development of modern industrial societies and the rapid growth of cities, followed then by reactions of horror to World War I.

Modernism - Wikipedia

A style guide or manual of style is a set of standards for the writing, formatting and design of documents. It is often called a style sheet, although that term may have other meanings. These standards can be applied either for general use, or be required usage for an individual publication, a particular organization, or a specific field.

Numerals Phoenician numerals are built up from four elements in combination 6, 7, 8 and 11. Like the letters, Phoenician numbers are written from right to left: ... means 143 (100 + 20 + 20 + 1 + 1 + 1). The numbers between one and 9 were written down as combinations of lines specifically I, II, III for the first three numbers but anything between 4 and 9 were combinations sets of III and II or ...
