Getting Nursing Home Records for a Deceased Resident in Florida. As wrongful death attorneys, sadly, most of our cases involve the passing of the nursing home resident. The trouble that most families run into is that the Power of Attorney dies with the patient. This means, once your family member passes away, your Power of Attorney or Healthcare Surrogate is no longer valid.

Requesting Nursing Home Records of Family Members in Florida

Medicare is designed to take care of acute, short-term medical conditions not chronic, long term illnesses. Medicare will pay for skilled nursing, physical therapy, occupational therapy and speech language pathology as long as the patient is making continued progress in therapy, requires nursing, remains homebound and your physician determines Medicare home healthcare services are still necessary.
