In April 2016, MLA replaced its seventh edition resources with a new eighth edition. This updated version reflects the ways in which digital publication has changed how writers and researchers document sources. Therefore, the new edition includes significant shifts in the approach to source documentation in academic writing.

Note that if you cite more than one chapter of a book that is a collection of articles by different authors, that each article will need to have its own cross-reference citation. In addition, you will need to have a citation of the book as a whole as in the example of an edited book on the "Citing a book" tab.
