Nopcommerce User Guide Crossover - gamediators.org

Cross-sells and related products are marketing tools in nopCommerce that can be used to offer your customers additional products they may like based on their shopping behaviour (viewing and adding to the cart certain products). It is also a good opportunity for you to up-sell some products.

Cross-sells and Related products - NopCommerce

Major reason to remove jQuery Mobile from nopCommerce is that it used to require good amount of time to maintain separate jquery mobile based layout and views so now because of removal of jQuery mobile based views time on designing theme and testing would come to almost half. so the designer has to work only on single view and make sure it works in all kind of mobile device.

Nopcommerce, nopCommerce user guide (version 3.40)

Hi there, I just paid for the user guide - where do I download it from?

nopCommerce (version 2.10) User Guide nopCommerce User Guide is the definitive guide to installing, configuring, building, maintaining an e-commerce site using the nopCommerce. Covers the entire application from start to finish and is written in a simple to understand manner.

nopCommerce (version 2.10) User Guide - nopCommerce

Because nopCommerce is downloadable software, you will be responsible for maintaining your site's security. You'll have to obtain an SSL certificate and regularly check for any security patches. That said, nopCommerce claims to have only required one security patch since its the software's original release in 2008. Color me impressed.

nopCommerce Review 2019 | Reviews, Ratings, Complaints

"The solutions and answers provided on Experts Exchange have been extremely helpful to me over the last few years. I wear a lot of hats - Developer, Database Administrator, Help Desk, etc., so I know a lot of things but not a lot about one thing.
