Competition law is a law that promotes or seeks to maintain market competition by regulating anti-competitive conduct by companies. Competition law is implemented through public and private enforcement. Competition law is known as "antitrust law" in the United States for historical reasons, and as "anti-monopoly law" in China and Russia. In previous years it has been known as trade practices ...

Competition law - Wikipedia

Perfect competition is one of four common market structures. The other three are: monopoly, oligopoly, and monopolistic competition. The exhibit to the right illustrates how these four market structures form a continuum based on the relative degree of market control and the number of competitors in the market.
