Capital Punishment - The New York Times

Speed read. Who, when and where: California Gov. Gavin Newsom on March 13 issued an executive order that grants reprieves to 737 inmates on the state's death row, the nation's largest. Newsom doesn't have the power to overturn California's death penalty law, but the order prevents executions while he is governor.

The debate over the death penalty - news.yahoo.com

Despite the large number of death sentences in California, the state has conducted only 13 executions since reintroducing the death penalty in 1978. A 2011 study estimated the state had spent more than \$4 billion on death penalty trials, appeals, and incarceration, and estimated an annual savings of \$170 million if the death penalty were abolished. In his executive order, the governor said that the cost has since risen to \$5 billion.
