The good news for the MTA is that "graffiti hits" through the first three months of 2019 were down more than 30% from the same period last year — figures that the agency says were aided, in part, by a mild winter that kept fewer trains from being stored underground overnight.

Subway Graffiti Costs and Delays Up - thecity.nyc

This is a growing theme. Capitalism and democracy, once considered values that can peacefully coexist, are now creating obvious friction. This is further exacerbated by the fact that our rapid technological advances allow for greater and greater concentrations of power by the already powerful who already stood to reap the great majority of the gains of capitalism.
