MCG Care Guidelines - Horizon Blue Cross Blue Shield of ...

Milliman Care Guidelines, or MCG, are clinical guidelines to help providers and health plans make decisions about patient care, according to MCG. These guidelines offer guidance for handling a variety of different medical conditions, including diabetes, heart failure, pneumonia, asthma and chronic obstructive pulmonary disease.

What Are Milliman Care Guidelines? | Reference.com

I received a heads up a little over a month ago that Milliman Care Guidelines had been adopted by CMS to determine appropriate level of care. I scoffed at the concept because federal guidelines that you and I get to review as proposed rule before they become final would certainly not be overridden with private company standards without little or no warning.

Federal Guidelines or Milliman Care Guidelines Time for ...

The MCG are developed using the industry's most rigorous evidence-based methodology. All content is reviewed annually and updated as necessary by doctors and nurses who cite more than 15,000 unique references, including peer review journals in the current seven-product Care Guidelines series.
