What are some differences in the way men and women relate to money? Men view an emergency fund as boring and unsophisticated. Men like to negotiate and win with money. Women feel the emergency fund is the key to a financial plan, which causes them to relax knowing there is money for emergencies. Women like to hunt for bargains and deals.

Chapter 9 Review Chasity Putlovis 1.) In the traditional health insurance system, the insurance companies have no incentive to manage the delivery of services and how the providers should be paid, which causes the costs to get out of hand. Managed care integrates the functions of financing, insurance, delivery, and payment within one organizational setting and exercises formal control over ...
