select 1 or more of the search fields in the search form that follows. a complete listing of independent case managers meeting your search criteria will be displayed.

Independent Nurse Case Manager Search

Abstract Utilization management encompasses a diverse set of activities designed to influence the use of health care services and thereby constrain health care resource consumption. Utilization management, which has become one of the most widely used cost-containment approaches, has engendered debate and controversy. Physicians have been outspoken critics of utilization management because it ...
