Is their anyway I can get this training as an individual or do I have to work for a company that offers training for these criteria. I do have case management and UM experience now but I feel like I am missing out on a lot of opportunities and will not be able to advance or move on to another company because I do not have experience with Milliman and Interqual criteria.

Abstract Utilization management encompasses a diverse set of activities designed to influence the

use of health care services and thereby constrain health care resource consumption. Utilization management, which has become one of the most widely used cost-containment approaches, has engendered debate and controversy. Physicians have been outspoken critics of utilization management because it ...
