Music & Practice is a peer-reviewed online journal dedicated to the study of practices in music. It features articles and presentations written by academics and practitioners, and has readers and authors from all over the world.

### **Music + Practice - Performance Studies | Artistic Research**

In music practice, this means let's say I practice a passage from a piece, then take just a few moments to think about what I did, what I figured out, what worked, what didn't, etc. and write that in my journal. Just the act of thinking about things in this way helps your retention of new information. Writing it down helps even more.
