The Maudsley Prescribing Guidelines in Psychiatry 12th Edition PDF download This edition of The Guidelines has a particularly international flavour. This is because the 11th edition sold more copies outside the UK than in it, and because there are, we think, at least ten translations of The Guidelines in existence.

The Maudsley Prescribing Guidelines (MPG) has been in continuous production since 1993. The concept of an evidence-based publication for prescribing in psychiatry was the brainchild of the late Professor Robert Kerwin. Professor Kerwin was one of the authors of early editions until his death in 2007.
