## **Mirage Documentation**

VMware is the global leader in virtualization software, providing desktop and server virtualization products for virtual infrastructure solutions.

## **VMware Horizon Mirage Documentation**

VMware Mirage offers a unique solution for managing physical or virtual desktops and laptops, and for BYO users, combining centralized management for IT and local execution for end users. When Mirage is installed on a Windows PC, it centralizes a complete virtual copy of that end point to the data center and keeps it synchronized. The synchronization includes changes from a user's Windows PC ...
