The board game Monopoly has its origin in the early 20th century. The earliest known version of Monopoly, known as The Landlord's Game, was designed by an American, Elizabeth Magie, and first patented in 1904 but existed as early as 1902. Magie, a follower of Henry George, originally intended The Landlord's Game to illustrate the economic consequences of Ricardo's Law of Economic rent and the ...

Abstract: Equally important with having a goal and direction in an institution like a hospital is how the people in this institution work together to achieve this. This “togetherness” is aptly expressed in the concept of synergy. To achieve this synergy among all stakeholders of educational institutions, there should be a common ground, in which they align themselves with the institutional ...
