Oracle SOA Suite 11 - CIO Australia

Hi, We developed and deployed our projects using oracle soa suite 12.1.3 and we are using BPEL .Our process uses jms adapter to receive the jms message and uses a file adapter to read a file in chunks, perform the validations using spring context and finally update the data to the tables using DB adapter.When we run the composites immediately after the weblogic restart, each composite is ...

Oracle soa suite 12.1.3 performance issues | Oracle Community

Its taking several hours to complete these many request (It completed around 10000 request in hour). Bad performance. we know, process writes into several tables in soa repository. is that the reason for such poor performance ? how can we increase the overall performance ? we expect 1.2 million/hrs which is way up.
